

Nature

A soft handle plant based faux leather

Upholstery
FR Contract Fabric

Nature

Composition

Coating: Plant Based PVC/PU Blend
Base cloth: 100% Cotton

Width

Approx 140cm (55")

Weight

720g/m² +/-5%

End Use

Upholstery

Flammability Ratings

BS 7176 Medium Hazard
BS 5852: 2006 Ignition Source 5
EN1021-1/2
IMO FTP Code 2010 Part 8
NFPA 260 (USA)
Cal TB 117

Product Performance

Colour Fastness to Light

Grade 6+

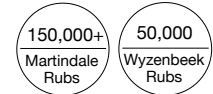

Hydrostatic Head

> 3m+

Burst Strength

711kpa

Abrasion

Technical Features

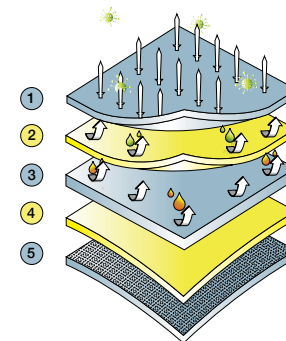

Flame Retardant, Waterproof, ShieldPlus Antimicrobial, Stain Resistant.

Environmental

Made From Plant Based Bio-ethylene, Vegan Friendly, PFAS Free, Red List Compliant, Phthalate Free, Heavy Metal Free, Latex Free.

Care Instructions

- Wipe clean routinely with a microfibre cloth lightly dampened with cold water only and then dry with a clean absorbent cloth.
 - Soak up spillages as soon as possible with an absorbent dry cloth to prevent staining.
 - If soiling has accumulated use a mild proprietary cleaner (non-alkaline). Take care to remove all soap residues and dry with a clean absorbent cloth.
 - Remove body fluids and extreme soiling immediately (within 15 minutes) with cold water then apply approved infection control protocol: Haz Tabs, Chlor Clean or Shield Plus etc. As the concentration of bleach can vary greatly among proprietary brands we recommend these be avoided but in extreme circumstances, a 10% chlorine bleach solution may be used.
 - Remove product residues and then dry with clean absorbent cloth.
 - Do not tumble dry.
 - Do not dry clean.
 - Do not fully immerse in water.
 - Do not apply solvents, alcohol or any other chemical cleaners.
 - Do not steam clean - heat seals in stains.
- Note dyes and pigments from indigo jeans, ball point and felt tip pens may permanently stain.**

- 1 Antimicrobial ShieldPlus™ Protection permanently inhibits the broadest spectrum of microbes (even C diff spore) and prevents nasty odours.
- 2 Acryltron™ affording exceptional, improved resistance to cleaning chemicals.
- 3 Polyurethane coating - For durability and stain resistance.
- 4 PVC Core - For core strength and durability using plant based bio-ethylene.
- 5 Substrate - Natural and biodegradable cotton substrate providing a solid foundation.
